**MAY 1/14  
DAY 7**

## Ursa Major 2014 Plot Plan, Plant, Bldgs & walkways

Permanent walkway  
Temporary walkway

### PLACING YOUR SAFEST FOOT FORWARD

During Turnaround we expect approximately 2000 extra people on site. In an effort to reduce congestion and vehicle/pedestrian interaction, we have designated specific walkways for our Turnaround personnel to use. On these walkways, crossing guards are located at intersections we feel may be higher risk in order to keep you all safe. Please make yourselves familiar with the route you are expected to take to and from your designated work location, and **PUT YOUR SAFEST FOOT FORWARD**
